

Leadership Week Field Trip **Friday, September 28th**

Leadership Week is from September 24th-28th. Throughout the week students will engage in activities to learn more about the 7 Habits while completing leadership tasks around the school. As a finale we want to synergize and celebrate with a field trip on the Chicago River. Students are going to take the Wendella Architecture Boat Tour! This year our theme for Theme Week is "Architecture". This experience will allow us to be proactive as we begin our learning by previewing the architecture of Chicago.

Students will take the one and a half hour boat tour and then have lunch at a park in the city together. They will need to bring a bag lunch and will need to be dressed appropriately, in layers, with good walking shoes. Please send in \$15 for the cost of the trip (cash or check made to Roycemore). Please let us know if you have any questions.
